CURRENT SITUATION

Situation Summary:	The Camp Fire remained active today with some fire progression in the Grizzly Creek area. Firefighters continued working hard to conduct structure preparation, construct primary and secondary containment lines, and implement back-firing operations as conditions allow. A Red Flag Warning is in place until Sunday afternoon and firefighters are preparing for the projected increased wind by strategically staging more personnel and engines. Established containment lines continue to hold and firefighters will further patrol areas within the fire perimeter removing heat and hazards.
